REMARKS

The Examiner indicated there were two outstanding issues with regard to the previously submitted drawings. Original Figure 24 has been deleted, which addresses both issues. Also, the caption for Figure 25 (renumbered 24) has been changed so that it no longer indicates the figure is a color photograph. Appropriate amendments to the specification with regard to the changes in figure numbers have been made.

In view of the above amendments and remarks, Applicant respectfully requests a Notice of Allowance. If the Examiner believes a telephone conference would advance the prosecution of this application, the Examiner is invited to telephone the undersigned at the below-listed telephone number.

Respectfully submitted,
